Response to Restriction Requirement

This is in response to the Office Action dated September 25, 2006 in which a requirement for restriction has been applied. Applicants elect the following:

Species I, wherein the compound is integral with a portion of a package in the form of a packaging material;

Species IIa, wherein the compound is directly applied to a consumer product; and

Species I/IIa, wherein the compound is released under the external stimulus of mechanical energy.

The Examiner has restricted the claims into Species I, II, III, IV, IIa, IIb, IIbc and if either Species I or II is elected then a further restriction to Species I/IIa, I/IIb, I/IIc, I/IId for the reasons set forth in the Restriction requirement. Applicants have elected to prosecute the elected claims, provided herein, and will file divisional applications to prosecute the non-elected claims at the appropriate time.
